

Is your client
stuck?

It might be
a skills gap.

Get SET programs
can help!

The Benefits of Get SET:

- Help people develop skills for success in work and everyday life (digital and computer skills, reading, writing, math, social skills, soft skills)
- Free and accessible – may include financial assistance for transportation or childcare
- Flexible delivery: one-to-one, small group, in-person, online, day, evening

Can support pathways to:

- 1 employment
- 2 completing high school
- 3 college/university
- 4 job-specific training and certifications (e.g. apprenticeship)
- 5 increased independence

Let's Work Together

Refer job seeker to your local learning network or centralized intake contact [\[refer to DeskAid\]](#).

The job seeker will be contacted to find the best program for their goals.

Connect

Plan

The Get SET program will do an intake and create a learning plan.

With client consent, check in with the instructor, or ask job seeker for updates.

Progress

Once skills are upgraded, the job seeker will transition to their chosen path.

Clients can access IES and Get SET
at the same time for pre-employment/job
retention support.
