

Join the Pop Up PD for Literacy Educators committee for a valuable new webinar:

Essential Skills, Skills for Success, and the OALCF

Thursday, October 28, 2021 from 2:00 to 3:30 pm EST

The federal government recently released its new “Skills for Success” framework, replacing the original “Essential Skills” framework developed in the late 1980s. In this webinar, we will revisit the development of the Ontario Adult Literacy Curriculum Framework (OALCF) and how it relates to the original Essential Skills framework. Then we’ll focus on the new Skills for Success framework and how it may intersect with the OALCF and broader adult education initiatives.
