Pop Up PD for Literacy Educators Webinar

Thursday, May 7, 2020 -10:00 am

“Lean on Me”

Call-in talk show hosted by Tamara Kaattari, LLSC

The Covid-19 pandemic is having a huge impact on communities, countries, and the entire planet. We are all doing our best to forge ahead to maintain "business as usual" or as "usual" as it can be. It can seem like a constant stream of switching gears, trying new things, learning new skills, and navigating policy. **Perhaps you have come up with some excellent or novel ideas for helping yourself, learners, staff or members of the community to cope during these unusual times.** Or perhaps you'd like to hear some of these ideas to help yourself or others who are struggling. **Join us on May 7th at 10:00 am for a session we're calling "Lean on Me."** The session will be informal and facilitated by Tamara Kaattari. We hope to see you there!

Feel free to send questions in beforehand to execdir@literacylinkniagara.ca

Pop Up PD was developed for LBS practitioners by a committee of the Learning Networks of Ontario (LNO) and the Provincial Support Organizations of Ontario (PSOL) and e-Channel. Our goal is to provide free PD (Professional Development) opportunities to literacy educators via topical webinars. Technical Support is provided by Contact North. The work of the Pop Up PD committee is funded by the Ontario Ministry of Labour, Training and Skills Development.
